## **CRAIG BEAM**

Craig Beam is President of Beam & Associates a real estate consulting firm focused on the health care industry. Beam & Associates has provided these services for over 30 years to major health systems throughout the United States. Mr. Beam has overseen the development and management of a broad range of real estate with a focus on healthcare and institutional projects. Mr. Beam's involvement in healthcare development includes the development of hospital, medical office and ambulatory facilities. He has also been a trusted advisor by senior management on a variety of monetization and merger and acquisition activity.

## **RELEVANT EXPERIENCE**

Mr. Beam started his career in real estate in 1977 as Chief Financial Officer of Concordia Development, a real estate development company based in Southern California. As President of Beam & Associates since 1983, he had overall responsibility for the consulting, development, leasing and brokerage divisions of the firm. Mr. Beam has worked for major systems including Saint Joseph Health System of Orange, Ascension Health and Catholic Healthcare West. Mr. Beam is a licensed California real estate broker and holds the professional designation of Counselor of Real Estate.

## **HEALTHCARE INVOLVEMENT**

In addition to his real estate activities he has served on numerous boards including the advisory board to the Director of the National Institutes of Health, UniHealth, Pacificare and Martin Luther Hospital. He is past Chairman of the Board of the American Heart Association and is formerly the Treasurer of the World Heart Federation

## **EDUCATIONAL BACKGROUND**

Bachelor of Arts in Business Administration, California State University, Fullerton, California. He holds the professional designation of a Counselor of Real Estate.
